

**The name of the game? TronBall.**

**The rules? Simple.**

**Step 1: Know Cal.**

You must know Cal in order to play. If you don't know Cal, sucks for you. Either meet Cal, or give up the game.

**Step 2: Watch Tron with Cal.**

Of course, Tron is required viewing. In case you don't have your own copy of Tron to watch (you freak), a link to Tron has been conveniently provided here: <https://bflix.moi/movie/watch-tron-movies-free-online-17931>

**Step 3: Watch Tron Legacy with Cal.**

Once you've seen Tron, the sequel should quickly follow. Do not wait longer than 3 days to watch Tron Legacy. **Step 4: Watch Tron Ares with Cal.**

This is the most crucial step of the game. Again, do not wait longer than 3 days between viewings. In case you don't have your own copy of Tron Ares to watch (you freak), a link to Tron Ares has been conveniently provided here: <https://ww8.123moviesfree.net/movie/tron-ares-1630860051/>

**Step 5: Tell Cal what you think.**

For steps 2 and 3, you do not need to share your thoughts with Cal, though bonus points may be added if you do. However for step 5, you must share your thoughts on Tron Ares. You must. Depending on how you respond to Tron Ares, Cal will determine how to handle you. Cal has full judgement and creative control in this game, and it's word is law. If your opinions align with Cal's, congratulations! You have won TronBall and will be rewarded handsomely. If your opinions do not align enough with Cal's, it will have to take the stage as executioner and well...you know.

Godspeed.
